Dear Mr Wolf,

On behalf of the Trustees at Barts and The London Charity, thank you for your generous donation of \$10,000. As requested your donation will be contributed to Professor Lister's Leukaemia and Lymphoma Fund where it will be put to good use.

For over half a century the cancer services at Barts have been at the forefront of research into the causes, investigation and treatment of many forms of cancer. Today, members of the medical, nursing and technical staff continue to work on projects that are designed to advance our knowledge and thereby improve our ability to fight these malignant diseases in more effective ways.

The funds available to support this valuable work are limited, so donations dedicated to research are vital. On behalf of all those who will benefit, thank you once again for your support.

Yours sincerely
